CHILD ONLINE SAFETY TIPS IN THE ERA OF COVID-19 PANDEMIC

Do your part to protect children. Parents should;

- ☐ Make sure they set-up parental controls so children don't have the authority to download any app.

- ☐ Teach them to not share any personal information if they are playing a game that involves in-game chatting.

- ☐ Show them how to create strong passwords if a log in is needed.

- ☐ Teach them to be diligent of unfamiliar activity so they can report to you immediately

CHILD ONLINE SAFETY TIPS IN THE ERA OF COVID-19 PANDEMIC

Do your part to protect children. Parents should;

□ Ensure a healthy balance between non-school related online activities and offline time.

□ Use Parental controls. Parental controls are software tools that allow you to monitor and limit what your child sees and does online.

□ Know the apps and games your kids are using

□ Check that apps, games and social media sites are age-appropriate for your child.

CHILD ONLINE SAFETY TIPS IN THE ERA OF COVID-19 PANDEMIC

Device-free zones in the home can help Parent monitor and manage who their child interacts with online. For example, you can establish rules like:

- No devices in the bedroom or bathroom

- All screens off at least one hour before planned bedtime

- All family members switch off at dinner time

- Devices charged overnight in a place your child cannot access.
